目標タイム：15分

実施の目安：2年 Unit3～

圭佑(Keisuke)は、英語の宿題で簡単な物語を作ることになり、「赤ずきんちゃん」のお話を参考に「Ao-zukin-chan」(青ずきんちゃん)というお話を考えました。お話の途中の空欄には青ずきんちゃんのセリフが入るのですが、どんなセリフがいいか悩んでいます。あなたなら①～③にどんなセリフを入れますか。次の条件で考えて書いてみましょう。

◆英語の語数や文の数は自由です。

◆セリフが前後の部分とうまくつながるように工夫してください。

Ao-zukin-chan

*Once upon a time a little girl lived with her mother
*near the *woods. The girl always *wore a blue *hood
on her *head. So everyone called her Ao-zukin-chan. She
liked to play *hide-and-seek very much.

One day Ao-zukin-chan's mother said to her, "Can you
go to your *grandmother's house in the woods? She is *sick
and wants to see you. Please *take this cake to her." "All
right, mother." Ao-zukin-chan said.

Ao-zukin-chan walked and walked. Then she saw a big
*wolf by the road. The wolf liked Ao-zukin-chan very much
and he wanted to play with her. The wolf asked "Hey!
Where are you going?"

A

said Ao-zukin-chan.

"Why are you going there?" The wolf asked again.

B

said Ao-zukin-chan. The wolf looked sad. But Ao-zukin-chan
went into the woods. The wolf still wanted to play with Ao-zukin-chan. So he
waited for her by the road for a long time.

After two hours she came out of the woods. "Ao-zukin-chan, now you can
play with me! I can play any kind of sport, I can jump rope well. So what do you
want to do? The wolf asked Ao-zukin-chan. She smiled and answered.

C

All right.

They played together and the wolf was happy. Ao-zukin-chan was happy, too.
