Hi, my name is Terry and I'm from Australia. Today I want to talk to you about Christmas at my house. Christmas in Australia is very different from Christmas in Japan. First of all it's in summer. Australia's summer is very hot, so we usually *spend Christmas outside. ①

My family usually goes to the beach and has a big *BBQ. At the BBQ we eat a lot of different things. For example, we have *sausages, *steak, and *burgers, but my favorite food is the *salad. ②

After lunch we usually go swimming in the sea and play some sports. I like to play volleyball with my older sister, but she usually *wins because she is very good. Sometimes my friends will also come to the beach and play *rugby with me. ③

Another big difference about Christmas in Australia is *Santa Claus. Santa Claus can't *wear many *clothes in Australia because it is very hot. So he wears a *aloha shirt and shorts, but of course he still has a *thick white *beard and a Christmas hat. ④

Thank you for listening to my speech. I hope you all learned something about Christmas in Australia. (208 words)
